

“Around the Pen In 2002”

Issue 002

April 2002

Well I think its safe to say spring is here! Horses are getting frisky, shedding hair like crazy, and spring-cleaning in the tack shed has begun! Just a few reminders for everyone as well as the new 2002 membership list is now complete. If you happen to find any errors or corrections that are not accurate please let me know ASAP. Also it would be appreciated if I could have everyone’s Manitoba Horse Council number. When you fill out your membership form, there is a line where you are to write this number down. I will be contacting members over the next while to complete my list.

**A big welcome goes out to all of our new and upcoming penners! We wish you a great penning year and hope to see you all in the pen!** Our membership list is over 80 members and still growing strong. Way to go Manitoba!

\*Apologies go out to our North East Director- Bill Unger; his phone number was incorrect in the last newsletter, it should be: 1-204-637-2327 Sorry Bill!

**Check this out!!!**

MTPA On-line

The Manitoba Team Penning Association has hit cyberspace! In conjunction with the CTCPA we now have a web page up and running. The address is [www.mantcpa.com](http://www.mantcpa.com). If you log on to the page you will see that it is still the construction stage but if you want to see what will soon be available, log onto [www.chinookpenning.com](http://www.chinookpenning.com). Our site will be of the same format. The plan is to have upcoming events, team standings, rules, sponsors, membership forms and newsletters all posted to the website. I will be looking after keeping the site up to date. So, if you have ideas for inclusions please give me a shout or talk to me at the next penning. I will keep you posted as more information is posted to the site.

**Do you know someone in your area that would be interested in learning how to team pen or host a show?** The MTPA Association would be willing to send some of our qualified members out and conduct a learning demonstration and practice team penning. If you or someone you know would like more information on hosting this exciting event, please contact **Wayne Klassen (725-0276) or Ron LeMay (482-7339)**.

For those of you who are riding NAERIC Incentive Program Horses, this is an update. When you call in your entries for each penning, you will be required to inform the secretary that you will be riding an approved horse. We have established a separate entry form for each class, so if you are riding more than one horse, you can list each in their appropriate class. This information will then be transferred to the payout sheet, which is submitted to NAERIC as results. It would speed things up considerably if you would have the following information ready when calling in your entries: **horses' name, registration number or chip number for grade horses.**

If you have any questions you can contact Kathy Horn at 748-2776 or directly through NAERIC on their website at [www.naeric.org](http://www.naeric.org).

- **All of our sanctioned shows have been approved by NAERIC\***

**DRAW CLASS**

For those of you who are not familiar with the Draw Class, this class is for new or inexperienced penners and will guarantee two full goes. You may enter this class a maximum of three times at a cost of fifteen dollars per entry. You will be paired with either two experienced penners or one new penner and one experienced penner depending on the number of entries. There will be no cash pay out as the lower entry fee is meant to cover the cattle cost. There may however be prizes if the number of entries permits. This class is designed for new penners who may be or may not be on other teams at the penning. It is meant for these penners to meet other or new prospective partners and try the sport in a low cost no pressure environment.

\* All sanctioned pennings will hold a draw class as decided by the Board of Directors.
