Happy New Year!

The new Board of the MTPA met in January to discuss the upcoming season and the show schedule. We have a number of show committees that have expressed interest in hosting a show for this season. We expect to have the new show packages to all the committees and you can expect a schedule of approved shows in the next month. We will be mailing a membership renewal package in February to all members outlining the approved shows for 2010 as well as any changes to rules for the coming season.
